

Pray for our Seniors—final exams are mid-August 2019

Each student pictured here is hopeful to pass their final exams and they are seeking opportunities for their futures. Would you take time to pray for them?

Our House Parents' Growing Family ... We are very thankful for our house parents, Sokhoeurn and Saroth. Saroth is due to have baby #3 toward the end of May. They will go to Saroth's home province to deliver the baby. Please pray for peace and safety at the dorm as Sina, Silat and myself help to hold down the fort. And pray for Saroth and a safe delivery of this new little one.

NEW BUILDING!!

We are ready to begin building a new dorm and add BOYS to our ministry site for the new school year. *Please see the picture on page two* of the area where we will build. In place of the chicken coop, we plan to build a two story building starting October this year, Lord willing. The bottom floor will have two large classrooms, a library and kitchen/dining area. The second floor will house our girls and will have bathrooms which will ensure greater privacy for them. The dorm the girls are using now will then become the boys' dorm. The number of total students, boys and girls, will remain the same (twelve in each grade, about six girls and six boys, totaling 36 students in 3 grades). We currently have more than \$20K toward this project and anticipate needing \$20K more to complete it. Would you consider donating toward this project that we consider strategic for discipling and mentoring young men in the area—a great need! To donate, please see below.

BOOK DONATIONS: For our new library, we will be collecting some English books for the students. We are particularly interested in books rated for grades 1-4 that also may have some educational emphasis. *Magic School Bus* series is a good example of the type of books we are looking for. Used books are welcome. Those who live near Davisville church, please take donations to the church and drop them off in a dedicated bucket outside of the library/resource center. If you live elsewhere, please contact me and we will see what we can do to get the books here to Cambodia. Thank you!!

The Plas Prai Center is a joint ministry of Davisville Church and World Team.

PLEASE JOIN US IN PRAYER

1. **Pray for our building project.** Pray for our builder who is not a believer, but an excellent builder who built our house parent house. If you choose to give toward this project visit our team website to see giving options on the *Plas Prai* tab: worldteampreahvihearcambodia.org Thank you!
2. **Pray for new students next year.** We will begin recruiting for new grade 10 students in mid-June. We have chosen Choam Ksant and Chey Sein as target locations and will focus on middle schools which are farthest from any high school.
3. **Pray for more volunteer staff, particularly men.** As we look to add boys to our campus we'd like to have two more Khmer men who can work closely with the teenage boys who are coming. We are looking for mature disciplers who are

L to R, Sovan, (10th grade), Theang (10th grade) and Piseth (grade 12)

willing to live by faith and have a similar vision as our team.

4. **Please pray for this year's seniors finishing in August.** It has been a joy for all of us to get to know them over these three years. As they head out into the world, pray God will lead them on the good paths he has for them and that they will seek to hear and follow his voice in all they do.
5. **Small study groups for math.** We are creating study groups with peer teachers, girls who excel in areas where other students are weak. We are getting close to implementing these groups at the end of May. We still need your prayers for this!!
6. **Pray for dorm life while Sokhuen and Saroth are on maternity leave.** There tend to be more 'behavior incidents' that occur when the main house parents are away. Please pray that God will help the students have wisdom and self-control and stay away from poor choices. And pray for strength, patience and great wisdom for Sina, Silat and myself.
7. **Please pray for the health of the students and their families.** So many poor families in remote areas are plagued with chronic illness and disease. We hear stories constantly. Pray for increased health care opportunities.
8. **Please pray for each student to appropriately wrestle with who God is** before they leave the *Plas Prai*. Pray that students will taste the goodness of the Creator God and choose to trust in Him above all other influences and pressures.

The new dorm building will be built directly to the right of the house parent house. And the current "fowl" residents will have to find a new home!

Two of our seniors help Saroth and Silat cook for our Khmer New Year fun day at the *Plas Prai*.

Our team—missing you Grandpa Joel!!

Thank you so much for your interest and prayers! We are completely dependent on God working through his people for this work. If you'd like to give toward this ministry, our new dorm building, or sponsor a student next year, please use the information on the bottom of page one.

**God bless you for caring about
and praying for this ministry!**
